Edit **Company Name** as desired and Click **Add** button.

The screenshot shows the 'Customer Management' application window. The 'Contact Information' tab is active. The 'Company Name' dropdown menu is set to 'Fictional Company'. A red arrow points to the 'Add' button. A note box on the right contains the text: 'Note: To add new customer, clear 'company Name' and enter the new name, select 'add' and then complete the details and press 'Update'.' The form fields for Contact Name, Address, City, Post Code, Phone, Fax, Email, and Supplier ID are empty. The status bar at the bottom shows 'Ready' and 'Admin Administrator 2.7.5805.28664'.

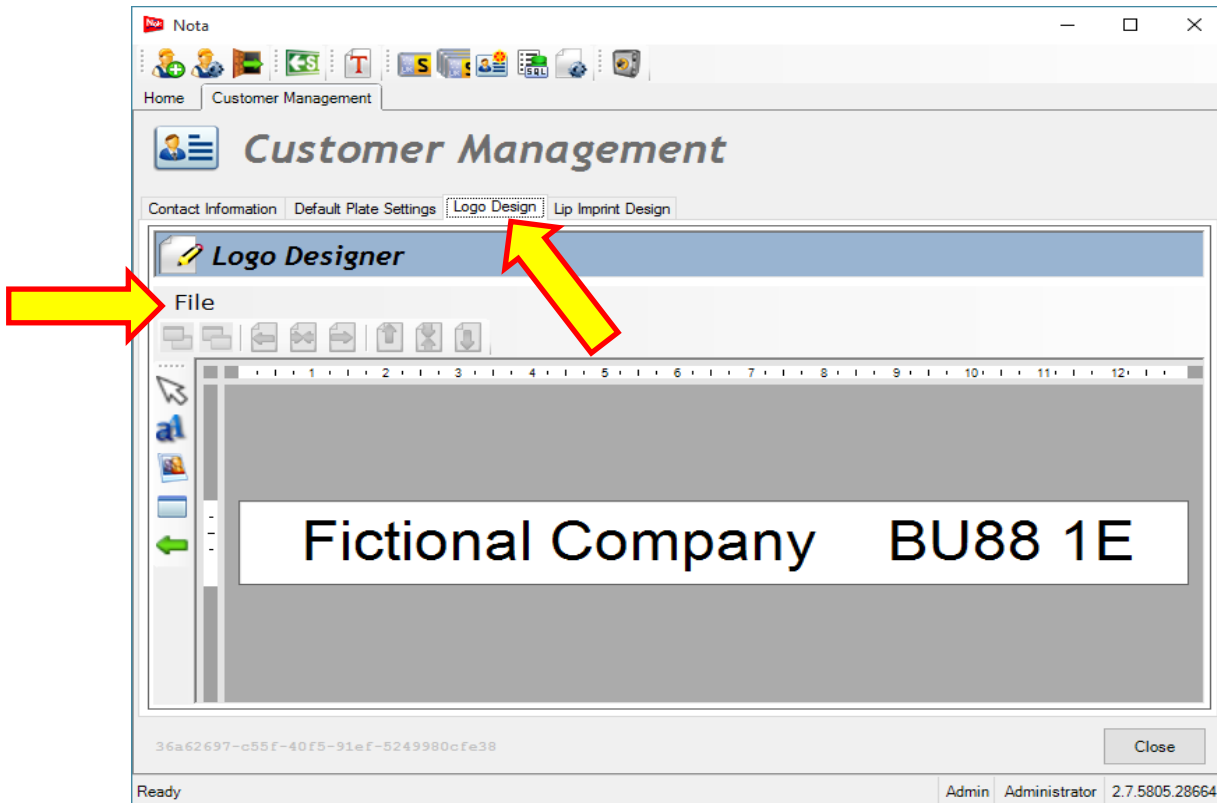

You can now **Edit the rest of the details**.

NOTE: – no Logo Design Tab (Supplier ID and Poscode are Required). Click **Update**.

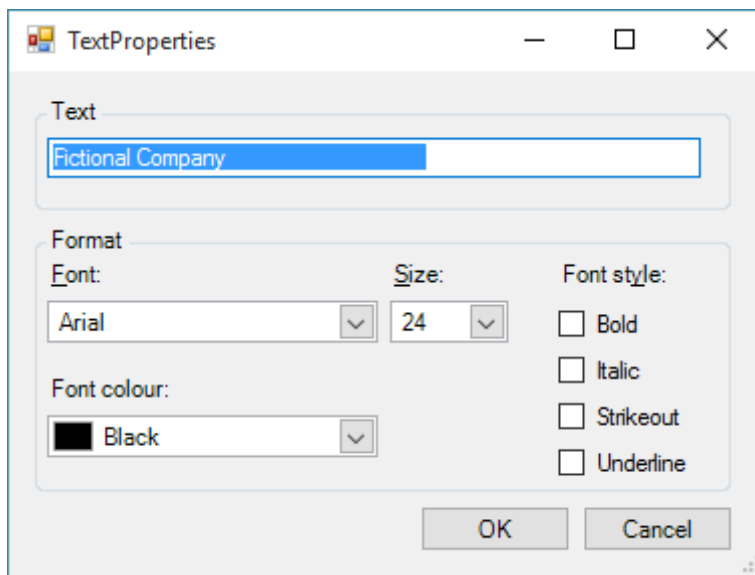

The screenshot shows the 'Customer Management' application window with the 'Contact Information' tab active. The 'Company Name' dropdown menu is set to 'Fictional Company'. A red arrow points to the 'Update' button. The form fields are filled with the following information: Contact Name: Campbell; Address: 99 Bubble Street, Bathgate; City: Washington; Post Code: BU88 1E; Phone: 123456789; Fax: (empty); Email: test@testing.com; Supplier ID: 0000. A note box on the right contains the text: 'Note: To add new customer, clear 'company Name' and enter the new name, select 'add' and then complete the details and press 'Update'.' The status bar at the bottom shows 'Ready' and 'Admin Administrator 2.7.5805.28664'.
